Make a lasting impact by sponsoring a child

By sponsoring a child, you provide life-changing food, clothes, school supplies, medicine and educational opportunities for children in developing countries. **Your gift will help transform a child's future!** We have opportunities to sponsor children in Colombia, Costa Rica, the Dominican Republic, Guatemala, Nicaragua, Romania, and Uganda.

**As a child sponsor you...**

- Receive a welcome packet that includes: a photo of your sponsored child, information about them, a guide for how to pray and more.
- Will have the opportunity to correspond with your child at least once a year.
- Will have access to frequent blog posts and quarterly email updates about your child’s ministry site.
- Can visit your sponsored child by going on a mission trip.
- Can make Christmas more special for your child each year by making an additional monetary gift.

**Imagine the joy knowing you have helped one more child grow, learn and hear the name of Jesus.**

**Sponsor a child TODAY!**
