

Hope Street Tampa Campus for One More Child

Are you ready to bring HOPE to children and families in Tampa? We need you to help make a difference in the life of one more child.

CONSIDER THESE FACTS:

- In Tampa, 48% of families do not bring in enough income to meet their basic needs for housing, child care, food and more.¹
- 58% of Hillsborough County middle schoolers are eligible for free/reduced lunch at school.²
- 36.9% of children in Hillsborough County live in a single-parent home.³

OPPORTUNITY

One More Child Hope Street announced plans to build and operate a Christ-centered campus in Tampa that will allow us to engage churches and mobilize volunteers to serve children and families in the Tampa Bay area. Hope Street was founded in 2013 and has been serving children and families in the inner city. This year, Hope Street became a part of the One More Child family. The proposed campus will include:

Phase I: Compassion Center (\$3.5 million estimated cost)

- Provide food, clothing and diapers to families in need.
- Provide family support services, like parenting classes, financial counseling, vocational training and more to bring families to independence.
- Support a weekend backpack program for local school-children so they will have food for the weekends.
- Engage community ministries and businesses.

Phase II: Single Moms & Children Housing (\$2.5 million estimated cost)

- Provide safe, secure housing and life-giving support services to single moms and their children.

Phase III: Community Transformation Center (\$3.5 million estimated cost)

- Expand family support services, single moms support and community and church volunteer opportunities.

PROJECTED 5-YEAR IMPACT

Phase I: Compassion Center

- Provide a total of 12 million meals
- 68,165 volunteer hours
- Impact 24,397 individuals and families

Phase II: Single Moms & Children Housing

- Serve 100 moms and 250 children
