We believe addressing the medical needs of children and adults in the countries we serve has an enormous impact and is a beautiful way to show people the love of Christ. We are seeking medical and dental professionals to provide quality, sustainable care that will have an eternal impact! Although each location varies, you may provide general, pediatric, women’s health, oral and specialty care to children and families.

**Colombia**
You will participate in mobile clinics in communities where partner churches are working diligently to share the Gospel with indigenous people groups and Venezuelan refugees.

**Dominican Republic**
Our goal is to provide children and families with emergent and preventive healthcare living in Villa Esperanza, a community transformation project in a rural area.

**Guatemala**
Working at a malnutrition center outside of Antigua, you will work to provide life-saving and life-changing medical and dental care to children in need of nutrition and long-term care.

**Uganda**
By working with medical professionals at a medical clinic, and/or mobile clinics providing screenings and preventive health education, you will serve those with extremely limited access to care.

**Team Requirements**
The minimum requirements for a team include at least one of each of the following:

- **Provider** (physician, practitioner, dentist)
- **Triage Expert** (E.g. Nurse, paramedic, EMT)
- **Medicine Administrator** (E.g. Nurse, hygienist)
- **Ministry Team Members**

**Let’s Get Started!**
Costs are identical to all other missions trips, with an additional $1,500 required per team to cover the cost of medications. For a complete list of trips, including dates, locations and costs for upcoming medical mission trips, visit onemorechild.org/global.

Prayerfully consider joining us on a medical mission trip, and use your God-given expertise to change the life of one more child!
