

Single Moms Volunteer

Volunteer to help single moms and their children

We are looking for dedicated Christian women to come alongside amazing **single moms** as they work diligently toward self-sufficiency, and rediscover who God created them to be. Some of these women come from abusive relationships, have experienced financial ruin, or have never known the meaning of trust or unconditional love. Our mission is to offer support, stability, and encouragement as they work toward bettering their lives and providing their families with a future filled with hope and possibility.

We need you to come alongside us as we serve these moms and their children. Volunteer opportunities are available for both individuals and church or community groups. A commitment to serve ranges from just one day or may continue throughout the duration of the mom’s 9-12 month program.
