Your Giving Matters.

Have you ever wondered what your gift can do for ...

hungry children, foster children, trafficked children, single moms and struggling families?

A GIFT OF \$1,000:

- **5,000 diapers** to children in foster care, single moms and struggling families both locally and globally.
- **50 comfort kits** to equip Anti-Trafficking team members in the rescue and recovery of child sex trafficking survivors. These kits provide immediate essentials needed for a child who is removed from a life of exploitation.
- **100 chickens** to hungry families in Guatemala, supplying eggs for meals for up to two years.
- **1,875 meals** for at-risk children through our Backpack Meals program so they will not have to go without food during the weekends.
- **20 birthday kits** for children in care. These kits have all the birthday essentials so a child's life can be celebrated with cake, candles, decorations, a gift and more!

A GIFT OF \$2,000:

- Provide groceries, skills training and professional development to a family enrolled in our Family Support Services. This will change the life of a family as parents learn to make Christ the center of their homes while also breaking cycles of poverty to provide a secure future for their children.

A GIFT OF \$5,000:

- Feed children in care at our Emergency Shelter for up to six months. These children are welcomed into our care on a moment's notice 24 hours a day/365 days a year.

A GIFT OF \$10,000:

- Help 35 single moms in our care provide necessary school supplies to their children to ensure they are well-equipped and ready to learn.
- Build a drinking well for a village in Uganda to ensure children and families have clean water to drink.

A GIFT OF \$25,000:

- Enable response to disaster-relief needs in developing countries, such as an orphanage fire in Guatemala, a natural disaster or an emergency medical situation through our Global Emergency Relief Fund.

A GIFT OF \$40,000:

- Build a youth sports complex in the Dominican Republic. This will allow us to share the gospel with children from the community in incredible ways!

A GIFT OF \$50,000:

- Make it possible to hire additional foster care licensing specialists. This makes a direct impact on many children in Florida who need the love of a Christian family.
