OUR STORY

One More Child has been providing life-changing services since 1904. Last year, we cared for **236,492** children and individuals and provided more than **14 million** meals, nationally and globally. All of this was possible because more than **200,000** individuals said “yes” to training, volunteering, and awareness efforts. These efforts enable us to fulfill our mission to **provide Christ-centered services to vulnerable children and struggling families.**

We are often challenged to answer the question of who we are as a ministry. It might be while we are on a plane, in an elevator or over dinner with friends. This booklet is meant to help equip you to do just that — even if you only have 30 seconds or a minute to share about our work for children. The most important thing is to share from the heart as God leads you!

OUR STORY IN

THIRTY seconds

I am part of an organization called One More Child, and we serve **foster children, hungry children, trafficked children, single moms, and struggling families**. Last year, we cared for **236,492** children and individuals and provided more than **14 million** meals, nationally and globally. All of this was possible because more than **200,000** individuals said “yes” to training, volunteering, and awareness efforts. The +1 you see here represents the one more who has yet to be reached with the love of Christ.

OUR STORY IN

The +1 you see here? It represents a girl named Lilly, a child in care at One More Child. At any given time, this symbol represents one child or one struggling family. I am part of an organization called One More Child, and last year, we cared for **236,492** children and individuals and provided more than **14 million** meals, nationally and globally. All of this was possible because more than **200,000** individuals said “yes” to training, volunteering, and awareness efforts. We continue to pray for more people like you to come alongside us to reach one more in your community and around the world.

NATIONALLY AND GLOBALLY

**Someone

our work for
children?**

**WE SERVE
HUNGRY
CHILDREN.**

Last year, we provided more than 14 million meals to children and individuals nationally and globally. **Through our domestic and global child hunger programs, we feed children through Meal Packing Parties, Backpack Meals program, Child Sponsorship program, and more.**

WE SERVE TRAFFICKED CHILDREN.

We serve children, teens, and young adults through our Anti-Trafficking mobile teams and trauma-informed approach. Our survivor mentors are on call 24/7 to provide immediate crisis intervention. **Through domestic and global trainings, consulting and advocacy services, and partner-sponsored education events, One More Child trains others to join the fight to end sex trafficking.**

WE SERVE FOSTER CHILDREN.

Our foster care teams recruit and license Christian foster homes, and provide essential support services through family-equipping programs and resource assistance. **Through the local church, we also mobilize and train volunteer Foster Crews to provide wraparound care and critical support to foster families.**

WE SERVE SINGLE MOMS.

We provide support to single moms who are struggling to provide for their children through housing, mentorship, and education to help them on the road to self-sufficiency. **Our volunteer-led Single Moms Community Program utilizes a 10-week curriculum to help single moms develop essential skills in parenting, finance, and spiritual growth.**

WE SERVE STRUGGLING FAMILIES.

Our prevention services make families stronger before the child welfare system intervenes and families are torn apart. Through comprehensive support services, families are breaking the cycles of poverty and finding strength and dignity. **You can help by providing necessities like food, diapers, and clothing.**

WE SERVE NATIONALLY AND GLOBALLY.

We serve children and families in 15 countries around the world. We serve through mission trips, **child sponsorship, feeding programs, educational conferences, global classmates, medical clinics, and more.**
