

# Colombia

Bordering the Pacific Ocean and the Caribbean Sea, Colombia is a country of breathtaking beauty, yet many residents continue to suffer from poverty and social issues. Although Colombia has made positive steps toward progress nationwide, many children are neglected and living in tough conditions. Sadly, nearly one-third of Colombians live in poverty.

Through partnerships with local churches, we are working diligently to help meet physical and spiritual needs of families by sharing the hope of Jesus Christ. We do this through community development efforts with the local church, short-term mission trips, and our Child Sponsorship program. Sponsorship includes a monthly food basket for children, education accountability and consistent opportunities to hear the gospel. We also have a feeding program for extremely impoverished children and families; many of whom are Venezuelan refugees. Lives are being changed in Colombia because of people like you!

## MINISTRY OPPORTUNITIES

**MINISTRY & EVANGELISM** Teams will distribute food, provide for hungry children, and help lead youth ministries and activities that include: singing, Bible stories, crafts, sports, and games.

**MEDICAL CARE** Volunteers help provide basic health care and screenings for children and adults. Clinics are held at a local hospital or in community centers/churches. We need doctors, nurses, and other health care professionals to serve!

**VOLUNTEER AT A SCHOOL** Reach children and teens in local schools. Teach them important life skills, help them practice English, and interact with children through sports and games.

**CULTURAL EXPOSURE** Experience the beauty and culture of Colombia. Practice your Spanish, shop, and take in the breathtaking views as you navigate the Colombian mountainside. Don't forget to bring a soccer ball with you!
