

Host an Anti-Trafficking Education Event

Join the cause to end sex trafficking.

Child sex trafficking is a nationwide epidemic, and there are trafficking victims in your city we cannot reach without your help. In 2021, 10,359 situations of human trafficking were reported to the U.S. National Human Trafficking Hotline involving 16,554 individual victims. An estimated 27 percent of those victims were minors.

What can you do?

Unfortunately, there are many harmful myths about trafficking circulating our culture. Our one-time education event serves as a thought-provoking, engaging resource to address these challenges.

Host an Anti-Trafficking Education Event at your church, home, or venue of choice.

What does this event look like?

Our Anti-Trafficking Education Events are interactive guided experiences that provide deep, powerful truths about trafficking and trauma. Each event includes an interactive video component featuring trafficking survivors and expert clinicians that guide your attendees through much-needed conversations and equip them to become informed anti-trafficking advocates.

We have resources to help.

In addition to the video training component, we provide worksheets, discussion guides, and ways for your group to help in the fight to end sex trafficking.

I am ready to...

- Raise awareness
- Dispel myths
- Become an informed advocate
- Educate my community
- Plan an Anti-Trafficking Education Event
