

Join the Cause

to reach every child in every city

You can bring life-changing impact to vulnerable children and struggling families in your community.

You bring the passion and people, and we bring the game plan. Join the cause to meet urgent needs right in your neighborhood and city while sharing the love of Christ.

Give the Gift of Time to Foster Children and Foster Families

Start a wraparound support program to bless foster families in your church! Your **FOSTER CREW** can walk alongside families on their adventures and provide meals, household services, babysitting, prayer, encouragement, and more. One More Child's expert teams will offer you training and structure to help your Foster Crew thrive.

Host an Anti-Trafficking Education Event

In the U.S., there are as many as 10,500 children and teens trafficked in the sex trade each year. Host an **ANTI-TRAFFICKING EDUCATION EVENT** that will turn your church attendees into passionate, lifetime advocates for these victims. You choose the location and invite attendees. One More Child provides all the materials to launch an impactful event.

Help Single Moms in Your Community

Do you have a heart to help single moms? Launch a **SINGLE MOMS COMMUNITY PROGRAM** with the help of our expert staff, comprehensive training, and robust curriculum to help make single-mom families stronger than ever.

Feed Hungry Children and Families

What's better than a party? A party with a purpose. We help create a memorable **MEAL PACKING PARTY** where your group can pack thousands of meals for children in need.

You can also partner with us to start a **BACKPACK MEALS** program. Working with a local school, you can be the bridge between a child and a sustaining meal. Your group will pack weekend meal bags for hungry children during non-school hours.
