

# Start a Single Moms Community Program

## Encourage and serve single moms and their children

Many single mothers work tirelessly to provide a stable life for their families, yet despite their best efforts, some find themselves on the brink of crisis. Serving single moms in need is something we are passionate about, and One More Child's **Single Moms Community Program** provides an opportunity to help mothers facing hardship rewrite their stories of struggle into testimonies of triumph.

### What is a Single Moms Community Program?

A 10-week program designed to assist mothers on their journey to self-sufficiency. The specialized curriculum and resources, helps single moms develop essential skills in parenting, finance, and spiritual growth.

### How It Works

The Single Moms Community Program is led by a team of volunteers who have a heart for helping, encouraging, and uplifting God's people. This team facilitates the 10-week program providing much needed support to single moms in your community.

### We Have Resources to Help

Each partner receives training and instruction from expert One More Child staff and is equipped with a curriculum guide and a launch kit to help facilitate discussion and engagement with participants.

### I am ready to serve, support, help, mentor, and encourage single moms in need. What now?

Inquire about starting a Single Moms Community Program at your church or organization by scanning the QR code or emailing [everychild@onemorechild.org](mailto:everychild@onemorechild.org).

**Equipping** single moms today ensures a **better** tomorrow for their families.
