

Guatemala

We have been working with our ministry partners in Guatemala to help meet the physical and spiritual needs of vulnerable children and struggling families since 2008. Guatemala has the 6th highest rate of growth stunting of children due to malnutrition, according to a 2019 UNICEF report. About 1 million children under the age of 5 suffer from chronic malnutrition. Stunted growth can cause severe developmental delays and increases the risk of death.

Through targeted feeding programs, integrated social work counseling, and education accountability, children and families in our programs have access to the support they need to thrive. Lives are being changed in Guatemala because of people like you!

MINISTRY OPPORTUNITIES

MINISTRY & EVANGELISM Through Bible stories, singing, crafts, and games, show the love of Christ, and be ready to receive it in return! Opportunities exist at the One More Child ministry center, a nearby school, a senior center, and several offsite ministries.

CONSTRUCTION AND MAINTENANCE Team members help provide a clean, well-functioning area for children by assisting with ongoing maintenance and building projects.

COMMUNITY DEVELOPMENT Participate in passing out donations and food baskets, as well as provide special training to families, to help ensure a more sustainable future.

CULTURAL EXPOSURE Experience the culture and history of Guatemala by visiting colonial Antigua! Go on a walking tour of the city and textile market, visit ruins, and participate in a tour of a real coffee plantation!
