

# Nicaragua

Known as the “land of lakes and volcanoes”, Nicaragua is the largest country in Central America, but is also identified by the Council on Foreign Relations as the poorest financially. Due to years of civil unrest and governmental divide, Nicaragua faces many challenges in relation to basic human rights and social services. Malnutrition is a chronic problem – devastating both young and old, as well as lack of clean water and a commitment to education.

Through a long-term partnership with a local church in Managua, we are working to address these needs through our Child Sponsorship program. This includes a monthly food basket for children, regular community trainings and consistent opportunities to hear the gospel. We also host a feeding and discipleship program for school-age children. Lives are being changed in Nicaragua because of people like you!

## MINISTRY OPPORTUNITIES

**MINISTRY & EVANGELISM** Participate with our feeding program and help lead activities for children: Bible stories, songs, games, crafts, and sports. Outreach opportunities take place in communities, neighborhoods, and schools.

**CARE FOR THE ELDERLY** Work at a local senior living center by providing books, hygiene items, and, most importantly, love and care that is priceless to these precious people!

**INTERNATIONAL DEVELOPMENT** Develop relationships with the children and teens by going on educational and cultural excursions with them (additional cost).

**CULTURAL EXPOSURE** Visit a live volcano, go zip-lining, shop at local markets, practice Spanish, and enjoy the beautiful sights and people of Nicaragua!
