

1. COMMON GROUND: CAROLE ALEXANDER AND PETE MISHLER

Have you hungered to experience growing unity among God's people around the mission of life – independent of race and culture? Build cross-cultural relationships to advance life ministry by recognizing and building upon the common ground we already share in Christ. Finding the necessary tools to increase cross-cultural, Christian engagement in Life ministry will equip you to communicate life ministry that is rooted in the very heart of the Gospel that we, as the body of Christ, all hold in common.

2. MEDICAL: DR. JOHN T. LITTELL

Dr. John Littell is a family physician with more than 25 years of experience, including obstetrics and gynecology. He serves as the Medical Director for local Pregnancy Care Centers and will provide encouragement to your medical team as well as valuable insight into the current controversial issues concerning health care for women.

3. HER PLAN OVERVIEW: FLORIDA COORDINATOR

Provide your clients and patients with the help they need by connecting them to vetted and catalogued providers in your state that provide life-affirming assistance, through the Her Plan directory.

4. SEXUAL RISK AVOIDANCE EDUCATION: DARLA HUDDLESTON AND ANGIE KAGEY

This session will help you navigate through Sexual Risk Avoidance Education in today's culture, recognize the signs of human sex trafficking, and equip you for your potential leadership role. Identify opportunities to educate youth, strengthen families, and, as a result, build stronger communities.

5. ADMINISTRATION: POLICIES AND PROCEDURES: IRMA RODRIGUEZ AND RUTH RODRIGUES

This round table discussion will address current challenges in the landscape of our Florida pregnancy care ministries and the secure foundations for life.

6. THE OPTION OF ADOPTION: SARA MCCRAW

Present the option of adoption to your clients and patients more effectively by learning how to be more intentional, equipped, and confident in your conversation.

7. ABORTION RECOVERY CARE PART 2: JODIE ZICKER AND DAVID WILLIAMS

The sin of abortion leaves women and men broken and deeply wounded. The holistic approach to abortion recovery emphasizes the relationship with Jesus Christ that can bring true forgiveness and freedom, affecting not only women and men, but also their children. Finding lasting hope and healing in Jesus Christ through the power of the Gospel and God's Word is possible.

8. BIBLICAL LEADERSHIP: JIM DUNDAS

God's Word is the foundation of Pregnancy Care Ministry and stands in sharp contrast to the foundations of the world. Seeing this sharp, clear, and distinct contrast helps Christians understand that a worldview that is not rooted in the Bible only offers a false Gospel. Rediscover the key principles of God's character according to Scripture and how to stand firm through trials, attacks, and challenges, bearing much fruit for God's glory.

9. EVANGELISM, FOCUS ON THE HEART: MARY LOU HENDRY

Learn about the importance of bringing Christ into the choice for life and why issues around the sanctity of human life, abortion and beyond, matter. Grow in your understanding of the power of God's Word and Gospel that is sufficient to accomplish His purpose as you minister to the human heart. The ministry, the clients, and staff depend on this life-saving truth.
