

Florida Baptist
Convention

Right Beside You.

Dear Pastors,

Following the U.S. Supreme Court decision that overturned Roe v. Wade, we find ourselves at a critical crossroads in the national abortion debate. **A monumental decision awaits all Floridians this November as Amendment 4, the Right to Abortion Initiative, appears on the ballot. This measure jeopardizes the sanctity of human life and undermines our duty to protect the vulnerable.**

The Florida Baptist Convention and One More Child have partnered together to mobilize our faith community to vote **“no”** on Amendment 4 on November 5.

Four Reasons to VOTE “NO” on Amendment 4:

Amendment 4 is deceptive and extreme. Claiming to restore Roe v. Wade, the amendment allows abortion throughout all nine months of pregnancy, repealing all existing Florida laws and safety measures regulating abortion.

Amendment 4 eliminates parental consent. This initiative removes the requirement for parental consent, which would permit underage, vulnerable girls to undergo this life-altering procedure without parental guidance to help them in this critical time.

Amendment 4 gives broad authority to approve abortions. With this amendment, any “health care provider,” not just physicians, could approve abortions, including late-term procedures, without ensuring medical necessity. Under Florida law, “health care providers” are not limited to physicians and could include employees who work in the health care setting.

Amendment 4 allows for late-term abortions. There are no protections for the unborn child with this proposed amendment, allowing for abortion right up to the moment of birth, including cases where the baby can feel pain.

As followers of Christ, we affirm the worth of every human life from conception, as echoed in Jeremiah 1:5 (NIV), "Before I formed you in the womb I knew you." It is our sacred duty to advocate for the voiceless and support expectant mothers and fathers during this critical time.

We encourage you to rise for life—tell your church and communities how Amendment 4 will endanger precious lives, share with them the enclosed informational flyer, and most of all, **VOTE “NO” on Amendment 4.**
