

Global Impact

Providing hope and healing to the ends of the earth

One More Child is bringing the hope of Christ to children and families in global communities! Whether it is teaching Bible lessons in a classroom, feeding hungry children, building a home for an impoverished family, or transforming an entire community, we are answering the call to demonstrate the love of Jesus. Together, we can bring hope to children around the world!

Mission Trips

If you have a heart to serve vulnerable children and struggling families around the world, apply for one of our short-term mission trips today!

Feeding Programs

One More Child is combatting the hunger crisis around the world through our Christ-centered programs that feed the hungry and share the hope of the Gospel.

Community Development

We are working in several countries around the world by providing food, clean water, education, housing, and other resources to create lasting change and strengthen communities.

Here is a snapshot of how One More Child Global is transforming lives around the world!

GLOBAL MINISTRY LOCATIONS

Colombia
We support schools, medical clinics, and a local church to provide hope for vulnerable children and meet their physical and spiritual needs.

Costa Rica
One More Child operates two ministry sites in Costa Rica by providing a hot-meal feeding program for children struggling in poverty and through our holistic Child Sponsorship program. Many of the families we serve in Costa Rica are Nicaraguan refugees and single-mother homes.

Dominican Republic
One More Child ministers to families in a more than 100-home community and through our transformation center we built in partnership with the government of the Dominican Republic. Our sponsorship and feeding programs are changing lives in the Dominican Republic.

El Salvador
We are working diligently to help meet physical, educational, and spiritual needs of vulnerable children and struggling families through community development efforts, short-term mission trips, and our Child Sponsorship program.

Guatemala
We are working to fight the epidemic of malnutrition in Guatemala by providing adequate nutrition, meeting educational needs, and ministering to vulnerable children and families.

Haiti
By operating Christian schools and other, diverse Christ-centered services, One More Child provides children with a strong education, regular nutritious meals, and necessary medical care.

Nicaragua
We are meeting the physical and spiritual needs of children struggling in poverty by providing adequate nutrition, means for an education, and Christ-centered discipleship that nurtures lasting faith and transformation.

Peru
We work with vulnerable children in remote mountain areas who are in or aging out of residential care, providing education, training, and life skills to help their transition into adulthood.

Romania
We work with children in foster care and in Roma populations to ensure children receive adequate nutrition, an education, and spiritual nourishment.

South Africa
We support Christ-centered feeding programs in impoverished South African communities that offer children the healthy meals and spiritual nourishment they desperately need.

South Asia
One More Child provides Christian education for children, support for foster families, and care for those suffering from the physical and social effects of leprosy.

Uganda
In Uganda, we meet the needs of vulnerable children through a medical clinic and Christian school. We also provide a weekly Awana Bible curriculum ministry for children and feeding programs in rural villages.

ADDITIONAL MINISTRY INITIATIVES

One More Child provides Christ-centered services across five continents, transforming and strengthening entire communities. In addition to our ongoing ministry sites, we support select initiatives based on emerging needs and available funding. These efforts include trauma-informed trainings, church mobilization, and feeding programs in Germany, Kenya, and in undisclosed locations in Africa and Asia.
