

It's all about

One More Child

It's been about helping one more child since 1904

Last year, One More Child cared for 284,958 children and individuals and provided 13,792,256 meals. We did this through our Foster Care, Child Hunger, Anti-Trafficking, Single Moms, and Family Support programs. Additionally, 126,272 individuals were impacted through advocacy, trainings, awareness, and volunteering.

FOSTER CARE We provide loving, Christian homes for children through licensing and equipping families to care for children who desperately need stability and hope.

CHILD HUNGER Life-changing nourishment that helps children and families nationally and globally; provided more than 13.7 million meals last year.

ANTI-TRAFFICKING Mobile teams operate 24/7 providing care, restorative resources for sex trafficking survivors, leadership to prevent future trafficking, and training to equip people to identify individuals trapped in vicious cycles.

SINGLE MOMS Partnering with single moms through mentorship, housing, and Godly wisdom, helping them become self-sufficient and stronger parents to their children.

FAMILY SUPPORT Preventive care and resources that can change the trajectory of lives and the course of families by helping them make long-term strides toward a stronger future.

GLOBAL Meeting urgent needs and providing hope in Africa, Asia, Europe, North America, and Central and South America through feeding programs, infrastructure projects, schools, mission trips, child sponsorship, and more.

SANCTITY OF HUMAN LIFE Partnerships with hundreds of pregnancy care centers and life ministry programs to provide compassionate, Godly counsel and resources for women facing unplanned pregnancies, and connecting children to forever families who will love and cherish them for the rest of their lives.

Together, we can serve one more

Bring life-changing impact to vulnerable children and struggling families in your community. You bring the passion and people, and we bring the game plan. Together, we can provide hope by meeting urgent needs right in your neighborhood while sharing the love of Christ.

Wrap around foster children

Start a wraparound support program to bless foster families! Your **FOSTER CREW** can walk alongside families on their adventures and provide meals, household services, babysitting, prayer, encouragement, and more. Additionally, our **FOSTER CARE: 101** video series offers a comprehensive introduction to foster care, teaching viewers about the requirements, financial implications, and the significant impact fostering can have on vulnerable children.

Restore trafficked children

In 2025, the National Center for Missing & Exploited Children received more than 113,500 reports of possible child sex trafficking in the U.S. Our **ANTI-TRAFFICKING: 101** and **ONLINE SAFETY** video courses teach viewers what human trafficking is, who it affects, and how to stay safe and vigilant online. One More Child provides all the materials you need to learn how to engage in meaningful ways to support survivors and protect minors from online dangers.

Empower single moms

Do you have a heart to help single moms? Launch a **SINGLE MOMS COMMUNITY PROGRAM** with the help of our expert staff, comprehensive training, and robust curriculum to help make single-mom families stronger than ever.

Feed hungry children and support struggling families
